TITLE: HSES 680 Adaptive Physical Education and Recreation

INSTRUCTOR: Dr. Leon Greene
161 Robinson
864-0775
jlg@ukans.edu

OFFICE HOURS: Posted or by appointment.

COURSE PURPOSE: This course is designed to introduce students to those conditions which may preclude the normal growth and development characteristics of individuals in different age groups. Adapted physical education, recreation and sport activities will be presented and discussed. Curriculum and program development, legislative considerations and various instructional strategies will be discussed.

COURSE OBJECTIVES:

Certification and endorsement related:
This course is required for all students seeking teaching certification in physical education. The objectives will apply to those individuals who are in the non-teaching programs. 
1. Students will understand legislation that affects education and recreation for handicapped populations.
2. Students will be introduced to various curriculum models currently used in adapted physical education.
3. Students will understand the hierarchy of placement options available.
4. Students will practice their teaching skills through the presentation of a game or physical activity appropriate for handicapped individuals.
5. Students will complete 30 hours of work with an agency or public school working with disabled individuals.

COURSE OUTLINE:
Adapted Physical Activity
Individual Differences
Developmental and Early Childhood Characteristics
Behavioral Management
Laws and Legislative Implications
IEP-Prescribing and Writing
Assessment/Measurement

INSTRUCTIONAL METHODS:

Lecture, demonstration, discussion, and application.

EVALUATION CRITERIA:

Assignments:
1. Read and understand assigned readings.
2. Class participation required.
3. Take quizzes that may or may not be announced.
4. Take three examinations over material from lectures and reading assignments. The first exam is on Monday, September 23; the second exam is on Wednesday, October 23. The final exam is on Monday, December 16, 7:30 am to 10:30 am. Exams will not given on other dates.

Grading:
1. Each exam will have a value of 100 pts. Total of 300 pts.
2. Class participation will have a value of 100 pts. For each absence 5 points will be deducted from this total. An absence is an absence, the reason does not make a difference.
3. The quizzes will have a total value of 50 points.
4. The following percentage scale will be used to determine the final grades.

   100-91 = A       70-61 = D
   90-81 = B       60-Below = F
   80-71 = C

REQUIRED TEXT AND READINGS:

READING ASSIGNMENTS:

Aug. 26-30     Chps. 1,2
Sept. 2-6      Chps. 3,5
Sept. 9-13     Chp. 4
Sept. 16-20        Chps. 6, 9
Exam I  Monday, Sept. 23
Sept. 23-27        Chp. 7
Sept. 30-Oct. 4    Chp. 8
Oct.  7-11         Chps. 11, 12
Oct. 14-16         Chps. 10, 13
Oct. 21-23         Chp. 14
Exam II  Wednesday, Oct. 23
Oct. 25 -Nov. 1    Chps. 15, 16
Nov. 4-8           Chps. 17, 20
Nov. 11-15         Chps. 18, 19
Nov. 18-22         Chp. 21
Nov. 25-29         Chps. 22, 24
Dec. 2-6           Chps. 23, 25, 26
Dec. 9-12          Chp. 27

Final Examination - This exam may be a comprehensive exam.
Monday, December 16, 2002, 7:30 am to 10:30 am.
